## April Meeting – Olympic Restaurant – Kernersville

The AACA Old Salem Chapter monthly meeting for this month will be **Tuesday, April 21<sup>st</sup>** at the Olympic Family Restaurant, 1541 W. Mountain St. (Hwy 66) between Linville Rd. and Main St., in Kernersville. Dinner which will start at **6:00 PM** and the business meeting will begin at **7:00 PM**. There's lots of car related activities happening and the Kernersville Car Classic is getting close (May 2<sup>nd</sup>) so you won't want to miss this meeting. Bring some good ideas with you decide which month you'd like to host an Outing! As always invite and or bring some of your antique/classic vehicle friend(s) with you too!

## Message from the President

The cruise-ins, shows, tours, and monthly Outings are now underway and it looks like it's going to be a great year for Old Salem Chapter Members and the old car hobby. That indicates that there's lots of people interested in antique, classic, and specialty vehicles, and that means there's a lot of folks who would like to know about becoming a member of AACA if they knew about us! It also means that there's a lot of people who are concerned about keeping our hobby active, defending it against "government interference", and it means that there's enough demand for pieces and parts for our vehicles that someone should be interested in manufacturing them and keeping them available for us. That is really important when you realize how many bureaucrats would like to see them destroyed or when you need some pieces or parts to keep your pride and joy street worthy.

Our first monthly Outing to the Barn Dinner Theater was a winner! The weather was great, the food was delicious and plentiful, the play was hilarious and we all had a great time. Thanks again to John and Ruth Ann for making the arrangements and helping to make it a success!

This month's Outing (April 25<sup>th</sup>) will be a very special one which I know everyone will enjoy. The Old Salem Chapter has graciously been invited to participate in the 801 Tour hosted by the AACA Mid-Carolina Antique Drivers Region (MCADR) and the Vintage Chevrolet Club by their presidents, Rick Marsh and Al Banner. This Outing will provide an opportunity to meet some fellow old car enthusiasts and share stories and experiences with them. Details of this Outing can be found on page 2 of this newsletter.

The 9<sup>th</sup> Annual Kernersville Car Classic is coming up on May 2<sup>nd</sup> and it looks like this year's show, with your help, will be success. We still need to make sure that every old car and truck enthusiast you know (and lots that you don't know) are aware of this event so post flyers, hand them out at all the cruise-ins and other shows that you attend between now and then! Don't forget to register your own vehicle this year and bring it to the show. Your registration fee will be covered by the Old Salem Chapter! Make sure you mark your calendars and plan to help your Old Salem Chapter host that event.

We're still looking for some of your old photos of you and your rides and some new photos of interesting things you've been doing for new Spinning Wheels column, "Those Wonderful Days of Yesteryear and Yesterday". Dig through your photographs and when you find something let us borrow them for a few days so they can be shared with your AACA family.

I hope you and yours had a Blessed Easter and took the opportunity to reflect on that first Easter morning and the impact that it has on your life today. See you at the Olympic Tuesday.

David

# “HEADS UP!!”

By Ruth Ann Ronchetti

Next month we will be going on an “overnighter” to **Cherokee, NC** to attend their *Cruise the Smokies - Spring Cherokee Rod Run* the weekend of **May 15-17** at the Cherokee Indian Fair Grounds from 9 AM to 5 PM each day. The Rod Run features more than 500 classic and customized cars built before 1972. (It was estimated 900-1000 cars attended the fall show. A vendor area and swap meet was also set up so it’s a pretty good bet that they will have that again for this spring show.) **Vehicle registration is \$30 before May 1** (I will have a handout at our meeting or go to [www.cherokee-nc.com/events](http://www.cherokee-nc.com/events)) or pay \$35.00 at the show. Registered vehicles are also eligible for cash-prize drawings totaling \$15,000!

The mountains and miles of surrounding roads, including the nearby Blue Ridge Parkway, make for good driving and amazing views. Plus, the many attractions at Cherokee, such as Harrah’s Casino and Tribal Bingo, to name a few, are also available for your enjoyment.

There is also a concert both Friday and Saturday nights; Friday’s is Jeff “Hoss” Howard and Saturday’s is Magic. Concert times are 6:00 PM and will be held in the Fair Grounds Amphitheater.

We have contacted the **Econo Lodge Cherokee**, US Hwy. 19, Cherokee and they can only block 4 rooms. The rooms start at \$69.99 nightly for either a King Bed or 2 Double Beds and a Continental Breakfast is included. **YOU WILL NEED TO MAKE YOUR OWN RESERVATIONS either by phone at (828) 497-4575 or [www.econolodge.com](http://www.econolodge.com).**

An alternate would be the **Baymont Inn and Suites** at 1455 Acquoni Road in Cherokee has rooms starting at \$75. The number there is **828-497-2102** or [www.baymontinns.com](http://www.baymontinns.com).

There are others in the area that can be found at [www.kayak.com](http://www.kayak.com) and click on the HOTELS tab.

**We will be leaving on Friday, May 15. We will meet at the McDonald's at Clemmons Rd. at 8:30-8:45 AM and caravan out from there by 9:00 AM**, stopping along the way for some lunch. When we arrive in Asheville we will make a stop at the **Estes-Winn Antique Car Museum**; the admission is FREE but donations are greatly appreciated. After touring the museum, we will continue on to Cherokee. If there is enough time we will go to the Fair Grounds and register for Saturday’s Rod Run and “check it out” ... If not, we will go directly to our hotel to check in.

After our fun is over our **return trip will be on Sunday, May 17** after breakfast or you may stay on and leave later since the Rod Run is also on Sunday. Looking forward to seeing you at our next overnighter ... it will be fun!

*Please RSVP me ... (336) 996-5125 or [ra\\_ronchetti@usa.net](mailto:ra_ronchetti@usa.net) by Thursday, May 14 so we know who to expect at our meeting place Friday morning.*

**COME AND JOIN US ... WE'RE GONNA HAVE GREAT TIME!**

## Thought for the Month

- There are two incentives to work: the need to live and the desire to improve the conditions of life.
- Experience has proven that the majority of men can be sufficiently motivated to work only by the first of these incentives. The second is only effective with a small minority.... A law which gives all
- the poor a right to public aid, whatever the origin of their poverty, weakens or destroys the first
- stimulant and leaves only the second intact.— Alexis de Tocqueville, “Essay on Pauperism”, 1835

## WHAT'S BEEN GOIN' ON ...

*Ruth Ann Ronchetti, Chapter Reporter*

**March 19, 20, & 21** found some of our club members in sunny **Myrtle Beach for the 21<sup>st</sup> Annual Run to the Sun** car show. This year the weather could not have been any better ... little cool in the AM but sunny and warmer in the afternoon and the proof of it showed by the turnout of cars and people! The newspaper reported that 2285 cars had registered and over 100,000 people attended over the three days ... *WOW! Now that's a car show!*

As **John and I** wandered around in amazement seeing all those beautiful cars, it was mind-boggling to even think about "all the money" that was sitting there! After our first "walk about" we came back to our '55 and saw a business card under our windshield wiper and written on it was, "Where are you?" ... signed **Jim (Taylor), Grover (Parks), and Clarence (Lambe)**. I called Jim on my cell and we thought we would meet but it turned out we kept missing one another and never did get together. After sitting a bit to rest up John and I wandered some more, came back to our car again and there was another card waiting for us ... this time it said, "We were here, you were gone, now you are here and we are gone." ... signed **Linda & Bobby Phillips**. So they were there, too, but we never did catch up to them either! The only one we did see and talked to at the show was **David Hawks** ... and then after the show we met up with him and **Jo Ann** later for dinner along with her sister and brother-in-law. Then while we were eating **Scott Mercer** and his brother showed up! Fun evening!

We had a great time at the car show, fun with our friends, and saw a beautiful array of cars! If you have never been to the **Run to the Sun** you should go at least one time ... you won't believe your eyes!

On **Sunday, March 29**, we had our first "official" monthly outing. We all met at Fire Mountain Restaurant in Kernersville and then caravanned to the **Barn Dinner Theater in Greensboro** to see the comedy "*Church Basement Ladies*." What a wonderful afternoon ... the food was absolutely wonderful (if you went away hungry it was your own fault) and the play was a hoot!

Three days prior to our outing the weather was raining most of the time so it was questionable right up until Sunday morning if we were going to be able to drive our old cars ... well, thankfully, the clouds parted, the sun came out and it was beautiful! I was so glad because part of the arrangements I made with the Barn was to have reserved parking spaces for our group in the front of the theater.

We had nine of our classics show up and 28 people! Those attending were: **Alma & James Alley, Pat & Leo Baker, Darlene & Charlie Crutchfield, Pat & Barnes Daniels, Marilyn & Al DeVictoria, Bob Hardy, Jo Ann & David Hawks, Brenda & Roger Hockaday, Lee & Bill Hutchens, Imogene & Clarence Lambe, Erica Mercer, Helen Nason, Jan & Grover Parks, Richie Powers, Ruth Ann & John Ronchetti, and Mary & Jim Taylor.**

After it was all over we went outside and had a group picture made ... a little wind-blown, but it turned out nice. Thank you all for making our first outing an enjoyable time!

Welcome had an Easter Parade on Saturday, April 4 that some of our Old Salem people took advantage of. Those attending were **Pat & Bob Hardy** with their El Camino, **Steve Nason** with “Millie”

the Marlin, **Pat & Leo Baker** with their beautiful red “hot rod,” and **Ruth Ann & John Ronchetti & Muffie** (in her little rhinestone black jacket and bunny ears) in their '55 Chevy. There were tons of people there ... spectators and entrants ... we were in the #80 slot and there were quite a few behind us! The weather was beautiful ... a perfect day for a parade!

While we were waiting in line for the parade to start we saw a man walk out of his house with something jumping in the grass behind him ... following him

like a dog but it wasn't a dog ... what was it? When he got closer to us we were amazed to see a beautiful parrot walking behind him with outstretched wings ... what a site! I went to him and started talking about how beautiful “she” was and he told me her name was **Millie** and was very friendly and asked if I wanted to hold her ... I said sure! So he put her on my arm and told her “how pretty she was” and she opened her wings, stuck out her chest and just flapped those wings ... really strutted her stuff! We all really enjoyed the show she was putting on! You just really never know what you are going to “run into” during one of our outings!

**Saturday, April 11** was the first **Kernersville Cruise-In** for 2009. Since our friend and founder of the

Triad Classic Car Club Bill Giles' passing in December the cruise-in has a “new home.” It is now being held at the Main Street Methodist Church parking lot in Kernersville starting at 3:00 PM ... 2<sup>nd</sup> Saturday of the month ... under the leadership of Glen “Andy” Anderson and Benny Weaver. They volunteered to continue Bill Giles' passion for the love of old cars and to keep it going in his memory. We certainly thank them for their efforts and hope that everyone will support them.

It was a mostly cloudy and windy day ... the sun peaked out a little bit here and there ... got quite cool at times ... but in spite of that they came out! You could hear the “Oldies” playing and it was time to meet up with old friends and share stories again! There might have been 40 +/- cars that came out to the Kernersville “season opener” with quite a few of our members showing up to support it, too ... that was great! Thanx, guys! Also, to help celebrate the opening “*Cruisin Carolina*” magazine was there taking pictures ... so maybe we'll see ourselves in the magazine in the not-to-distant future ... be sure to look for it!

Till next month ... remember ...

**Keep drivin' those old cars & keep makin' new friends!**

# ***WE'RE GONNA HOST A POKER RUN!***

**By Ruth Ann Ronchetti**

At our last meeting our membership voted on hosting our first ever *Poker Run for a fundraising event in mid September* (TBA). The course is already determined ... with Hanging Rock Park being one of the stops. It will be a course to follow by directions on paper with approximately three stops (including Hanging Rock) between the start and finish.

John and I will need your help on this ... it is more than a two-person project. Please come to our next meeting so we can discuss some direction and to elect a committee. The sooner we get started on this the more successful it will be ... and fun ... and not so rushed! If it goes well, maybe we can make it an annual fundraiser!

## Topics of discussion:

- Date/time
- Place start/finish
- Food after Run
- Fundraiser for us or for charity ... or for both?
- Committee & volunteers
- Open to anyone with classic cars/trucks?

**Hillsville, VA is having a Poker Run on Sunday, May 3** for motorcycles, classic cars and trucks. Registration will start at 1 PM at the VFW Post 1115 and the cars will leave promptly at 2 PM. The reason I mention this is to ***ENCOURAGE ALL OF YOU TO ATTEND*** so you will have a better understanding of how this event is run and you can experience firsthand what a Poker Run is all about ... and how much fun it is!

*Let's see how well our club can work together ... Let's put our teamwork to the test!*

## **Personal Notes and Rumors**

- ❖ Please keep **Bill Hutchins** (and **Lee**) on your prayer list. Bill is still slowly improving. We're glad to both of them at our meetings and glad they could attend our March Outing.
- ❖ Please keep **Leo Baker** (and **Pat**) on your prayer list. Leo is doing well from his last surgery but still has some days that aren't as good as others. It's always good to see Leo and Pat at our meetings and Outings too!
- ❖ Please add **Charlie Crutchfield** (and **Darlene**) to your prayer list. Charlie had a partial knee replacement just after our May meeting. He is recovering nicely but it isn't as quick and easy as he would like. We were glad you were doing good enough to participate in our May Outing, even if you did have a chauffeur (Thanks Darlene). We hope you're up to some serious tire kicking real soon!
- ❖ Happy Belated Birthday to **Dick Strohmeier (April 1<sup>st</sup>)**. Dick is our newest member and we just missed listing his birthday in the March issue of Spinning Wheels. We welcome you to our Old Salem Chapter Family and we wish you many more Happy Birthdays!
- ❖ Happy Birthday to **Carmen Caruth**, wife of Greg Errett (**May 1<sup>st</sup>**). Since Carmen (and Greg) are new members, we won't make up any stories about you until we know you better. We do wish you have a wonderful birthday and we look forward to meeting you real soon!
- ❖ Happy Anniversary to **Keith and Bonnie Tuttle (May 6<sup>th</sup>)**. Keith tells us that he thought he knew Bonnie pretty well until someone asked him what her favorite flower was and all he could think of was "self-raising". That shows what you have on your mind! We hope you have a great anniversary!
- ❖ Happy Birthday to **Bobby Phillips (May 21<sup>st</sup>)**. Bobby tells us that when he was born, he was so surprised that he couldn't talk for a year and a half,... We hope this birthday is the best one ever!
- ❖ Congratulations to **Duke Marley** on receiving a "Senior" award at the AACA SE Division Spring meet at Lowes Motor Speedway for his "new" MG-TF. You do good work Duke! What's your next project?
- ❖ **If anyone has been left out or if you have any "news" or stories you would like to share, please let David or Jo Ann know!**

# OLD SALEM CHAPTER MEMBERS OF THE MONTH

## APRIL 2009

**"STEVE & HELEN NASON"**

Steve and Helen have been members of AACA and the Old Salem Chapter since 2006 when their next door neighbors, Al and Marilyn DeVictoria told them about us and invited them to one of our monthly meetings. Like many of us, Steve and Helen have been automobile enthusiast since they were teenagers.

Helen says "When I was a teenager on our farm, my uncle Rudy (from the big city) stopped by one warm summer morning in his beautiful powder blue '65 T-bird convertible. I fell in love with those magic taillights. It was 50 years and two t-birds later when I discovered they began installing the sequential taillights in '65. I found my Samoan Coral beauty in Tennessee. My husband was happy as it answered the question of what to get me for our 10th wedding anniversary! "Sam" was a perfect fit!

Being a daughter of a "rambler man" (they weren't called AMC's then), my first car was a little '64 Rambler American. Dad urged me to buy it and It made my dad very happy. After being plowed into twice (back and side), I retired the little American (when I couldn't drive it away) and found myself a sweet powerful '65 Marlin. Mmmmm, it was nice, but the speeding tickets were costly. It had been custom made for a member of the Mafia in Buffalo... black shag carpeting, cork ceiling, thick upgraded bucket seats, A/C... well, the whole kitchen sink. I enjoyed that for a while, but eventually moved on to other cars vowing I would someday get another Marlin. My dream came true this year when I found my second child, Millie, my 1967 Marlin outside Chicago. My husband encouraged me because he couldn't think of a better 12th anniversary present. I drove her home and she's been keeping me company ever since. I can hardly wait for my 15th anniversary!"

Steve says, "When I was young, the cars we loved today were new and we couldn't afford them. Now, they're classics and we can. I grew up with a bunch of other boomer babies strippin' cars in a neighbor's junkyard. That's when I learned to know and love them. I always have been a Studebaker and/or Kaiser fan and there is nothing prettier than the '62 through '64 Hawk. Maybe someday (or in my dreams) I'll own another Hawk that's been restored to its original perfection. Meanwhile, anniversaries come around every year and I've got to start thinking about our 15th. Any suggestions???"

Steve and Helen really love being part of our Old Salem Chapter family and participating in the many activities that AACA has to offer. They were bitten by the tour bug last year when they went on the 50<sup>th</sup> Anniversary Thunder Road tour hosted by the East Tennessee Region. They were so excited with that that they hosted the October Autumn Leaf Outing for the Old Salem Chapter that took us to Bryson City for a train ride, Cherokee for a night of real Bingo (Helen is a professional at Bingo and we would have never figured it out without her help!), and then to Maggie Valley for a tour through Wheels of Time Museum. The following week, the Nasons made their first AACA Founders Tour, which was based out of Easley S.C. Steve and Helen have thoroughly enjoyed the tours, events, and the people they have met along the way which have become lifetime friendships. If you ask, they will tell you that AACA tours are the best vacations you could ever have! We're glad you are part of our family!
